

PrairieFest 2023 • Event Application

Father's Day Weekend, June 15-18,2023

PrairieFest is the largest effort we take on as a community. Hosted by the Oswegoland Park District, this festival belongs to all of us in Oswego, Montgomery, Plainfield and beyond, because these are the people who come to host, volunteer, and work at PrairieFest. If your community organization would like to host an event over the four day weekend, we would love to incorporate it into the event schedule and festival marketing. The first step is sharing the information below!
