To lend your support contact Kristie Vest at 630.554.4425 or kvest@oswegolandpd.org.

You're The Life of this Party

For over 30 years, PrairieFest has been a beloved tradition celebrating the spirit of this community. You are the hero of this Festival.

PrairieFest is the summer day kids dream about when staring outside the classroom window. It's warm June evenings with friends, Ferris wheels and funnel cakes. PrairieFest Park comes alive for four days each summer with free parking, admission, and concerts for our guests thanks to your support.

In addition to showing guests that you care about the same things they do, PrairieFest is an outstanding marketing opportunity. Through print, digital, and on site presence, you show people that your business is a part of the same community they are with this experiential partnership.

Join us today by contacting Kristie Vest at 630.554.4425 or by email to kvest@oswegolandpd.org.

The Oswegoland Park District would love to have you along side us as families, friends, and neighbors celebrate the start of Summer with PrairieFest.
